SUBJECT: Cancellation of Project Clearances

1. In reviewing a recent IBM run of Project cleared communications personnel, we find a number of individuals who no longer require Project clearance. It is requested, therefore, that appropriate action be taken to debrief these individuals. The list below also includes personnel who are no longer connected with the Agency, but whose names nevertheless appear on the IBM run.

2. Another list of Communications personnel who no longer require Project clearance will be forwarded in the near future.
